Understanding the language of love without ever hearing a word

My new satin sheets caressed our naked bodies as I snuggled deeper in my husband's arms. We'd made passionate love for over an hour and I was savoring the warm after-glow with complete satisfaction. Jon was a fabulous lover with the stamina of a prize bull. Running my fingers lightly across his massive hairy chest, I discovered his nipples were still stiff with desire.

He'd climaxed twice that evening and I'd lost count of my orgasms. Was it possible, I silently wondered, that he isn't completely satisfied?

His breathing was back to normal and the moonlight streaming through our bedroom window let me see that his eyes were closed. He seemed perfectly at peace with me and him self as I whispered, "Honey, are you awake?"

He softly chuckled, turned toward me and sighed, "No, baby, I'm sound asleep."

Slipping my hand down to his groin, I playfully observed, "Well this big guy certainly isn't." Circling the head of his cock with my thumb and forefinger, I cooed, "He's ready to go again."

Jon's right hand found my breast as his handsome head disappeared under the gleaming satin. His hot mouth and nibbling lips began creating a warm glow at the base of my spine. I spread my legs and arched my hips for his invading fingers. It felt so wonderful as his mouth and tongue lovingly followed the lead of his exciting hand.

"Yes, darling," I purred, lifting the sheet from our bodies with one hand as I gently guided his head with the other, "Eat me. Make me come in your face and then fuck me." I loved licking his face after cunnilingus while he thrust his throbbing manhood to the depths of my soul.

Jon seemed to adore the taste of my vagina. He always went down on me before plunging his rampant eight inches home.

My orgasm exploded against his probing tongue as his mustache and nose played with my clit. Sucking in my orgasmic cream with noisy relish, he began driving me to a second peak of passion. Claiming his head with both hands, I thrust up into his face with a demanding need. He answered by licking the swollen lips of my vulva with an insatiable hunger of his own.

Putting his hands under the cheeks of my ass, he lifted my hips higher and buried his face deeper in my oozing pussy. His marvelous tongue tenderly caressed my anus as he licked the sweet drippings from my flowing cunt. I could hardly hear his muffled voice. "I love your delicious pussy."

Surrendering to the raw lust in my heart, I hissed, "Suck me; fuck me with your tongue." I was on top of another orgasm as I screamed, "Don't stop! Drink my juices. Let me come all over your fucking face!"

He'd gone down on me three times earlier that night and screwed me twice, but the touch of his tongue on my puckered ass had triggered something new deep inside me. I wanted him to worship my cunt with his mouth. I didn't want his cock inside. I wanted him to ejaculate without fucking me. I wanted to drive him over the edge as I creamed his face with my orgasm.

Coming down from the dizzy peak of my emotions, Jon made no attempt to force himself on me. He nuzzled my mons and kissed my vulva with gentle tenderness. I could feel his erect penis against my leg, but he didn't seem interested in fucking me. He went to sleep with that great boner pressed against my back without a single word of complaint. It thrilled me to think that I excited him

so much, and that he would satisfy me without demanding satisfaction himself. A question kept pressing itself forward in my mind.

Should Jon have gone to sleep like that? Was there something he wanted but wasn't asking for? This had never occurred to me before. I'd simply accepted his love for cunnilingus as a means of foreplay. It was the beautiful way he prepared me for sex. He'd never asked me to go down on him and I'd never considered it as being necessary for his happiness. But I suddenly knew it wasn't right for him to go to sleep with a hard-on.

The following morning, after Jon left for work, I slipped on a housecoat and crossed the street for coffee with Janelle and Nadine. Their husbands were members of Jon's car pool into the city and we always planned our days together. They were waiting for me in Nadine's family room.

We were all about the same age, but while Janelle and I were in college Nadine had tried to make it in show business. As a result she seemed older and wiser in the ways of the world, but her blonde hair and blue eyes made her appear more innocent. When I needed advice I turned to her.

"Honey," I asked over the rim of my coffee cup, "do men have sexual desires they won't tell us about?"

She laughed and asked, "Like what?"

"Yeah," Janelle chimed in. "Sometimes I get the feeling that Hank would like to try something real kinky, but he won't say a word."

Still looking at me, Nadine probed. "Debbie, is that what you mean?"

"Not really," I replied, "but last night Jon and I had a real ball. He did wonderful things for me and demanded nothing in return."

"Then what's the problem?" she pressed. "Seems like you've got a pretty good thing going."

Putting my cup down, I smiled at them both and tried to think of a graceful way to put it. "After fucking," I murmured, "have either of your husbands gone to sleep with

an erection pressing into your backs?"

"Only once," Janelle admitted with a giggle, "and that was the night before our wedding. We'd agreed to hold off until after the ceremony."

"Are you saying," Nadine seriously questioned, "that Jon made sweet love to you and didn't come himself?"

I shook my head, saying, "He came twice, and after we'd rested, he brought me off several more times orally without pressing for his own satisfaction. He was still hard when he went to sleep."

Chuckling to herself, Nadine observed, "I wish I had such a problem with Jack, but I think Jon wants something you're not giving him." After pouring each of us a second cup of coffee, she leaned back in her chair and asked, "Does he enjoy going down on you?"

"I think he does," I admitted. "Does it turn you on?"

"Yes," I sighed looking at them both. "I think it's a darling way for a guy to express his love. Don't you?" They both agreed by nodding their heads and Janelle volunteered, "Hank goes wild when I go down on him. He becomes a puppy when I start kissing my way to his groin, and he'll agree to anything if I let him come in my mouth."

"Did he ever ask you for a blowjob?" Nadine softly pressed.

"No," she happily answered. "I got the idea from the way he went after me."

"Could that be what Jon wants?" I wondered aloud.

"Are you trying to tell us," Nadine demanded, "that you've never gone down on your husband?"

I nodded.

"Sweetie!" Janelle exclaimed. "You don't know what you're missing! Why do you think he's been going down on you all this time?"

"Yes, dear," Nadine added, "Jon wants your mouth as much as you want his. He hasn't said it in so many words because he doesn't want you to feel forced into it. He loves you too much to demand something from you that you don't want to give."

"How can I be sure?" I questioned. "I don't want him to think that I'm a cock-hungry slut."

"Believe me," Nadine said, "he won't think that at all. Hell's bells," she confessed, "I told Jack that I wanted cunnilingus by sucking him off. He didn't get the idea until I swung around and pressed my pussy in his face while gobbling his cock." She giggled. "Now he's addicted to 69 because I made him understand my language of love. I think Jon's trying to tell you the same thing without being as forceful as I was with Jack."

"It's worth a try," Janelle advised. "Tonight, settle yourself over his face and taste him the way he tastes you. If it isn't what he wants he'll push you away, but I'll bet he moans with pure pleasure and

several guys who enjoyed wearing panties."

"But Hank isn't gay," I stated.

"Very few transvestites are," Nadine declared. "Those that I met were actually great lovers. I lived with one for almost a year, and it was a real kick having him wash out our things every evening."

"Go on," Janelle urged.

"If Hank wants to wear lingerie, let him. If I caught Jack sending a signal like that, I'd have him in panties before he knew what was happening," advised Nadine.

"Why?" I asked.

She closed her eyes and smiled. "You simply don't know how awesome a dude can be until you've experienced the glory of a man's female love. They actually anticipate our desires before we have them."

Opening her eyes, she leaned forward and purred, "They give you the best of both worlds."

"Hey," Janelle protested, "I'd like a little of that, but not a steady diet"

"Maybe," Nadine speculated with amusement, "you'd get a kick out of being a little masculine yourself. Believe me, there's nothing like having a man under your thumb. It's deliciously kinky and absolutely harmless."

The vision of Jon parading around our bedroom in a pair of my panties flashed through my mind. It made me laugh to think of his stiff cock confined in satin and lace. Janelle must have visualized the same image about Hank because her laughter joined mine. Nadine's expression hardened as her eyes swept from my laughing face to Janelle's.

"What's so damned funny?" she growled. "Does the idea of having your husbands worship your femininity amuse you? Is it ludicrous to think of them on their knees, begging to please you, because you're female? How many times have they demanded that kind of devotion from you?"

"Going down on Jon might be fun. I've never tried it because he was never bold enough to ask," I said and added, "I'm going to straddle his face and milk him with my lips."

Nadine giggled with absolute delight as Janelle nodded her approval of my intentions. "Good girl," Nadine chortled. "Sit on his face and make him eat pussy while you play with his prick. You'll be sending him the same signal she's been sending Hank."

"What do you mean?" Janelle demanded.

"Every time," Nadine answered, "that you've jammed your cunt down on his face and then sucked his cock, you've been demanding his submission and rewarding his obedience. You've taught him the beauty of gentle female persuasion. If Debbie does that to Jon, it's only a matter of time until he starts signaling with the mail-order catalog." She giggled again. "I want Jack in panties and

gets harder."

"Let's face it, Debbie," Nadine explained, "Jon wouldn't have let you feel his hard-on last night if he hadn't been trying to tell you something. We all send silent sex signals from time to time without having them understood. Every Christmas for the last five years Jack's been putting a sex signal under our tree, but it wasn't until last year that I got the message."

"What was it?" I eagerly asked.

"A spray can of whipped topping," she laughingly replied. "I used it on his Christmas pumpkin pie until I discovered he wanted me to use it on him. He wanted to be my Christmas Eve dessert but it took me four years to understand. Now I use it on us both and we have a slurping good time."

"Why didn't he just tell you what he wanted?" I demanded.

"It's a little kinky," Janelle interjected, "and I think Jack's like Hank. He wanted Nadine to get the idea without being told. That way, he didn't run the risk of asking for something that she might not enjoy."

Nadine nodded her agreement, and then turned the conversation toward Janelle. "You mentioned that Hank might be hinting for something kinky. What gives you this impression?"

"Well," she blushing admitted, "every time we get a new mail order catalog, the big jerk spends more time looking at the lingerie section than anything else."

"So," I murmured, "he likes to see women in their undies."

"It's more than that," Janelle continued, "because he always keeps a finger in the sporting goods section and when he thinks I'm watching him, he flips over to the fishing tackle. The minute he thinks I'm not watching, it's back to the panties and bras." She grinned with impish delight. "I'm beginning to think he'd like some of his own."

I was stunned by Janelle's statement, but Nadine quickly picked up on it "You might be right," she said. "A lot of guys fantasize about wearing female clothes. While I was working the studios in Southern California, I met

the two of you have showed me how to accomplish it."

"Nadine, you're wrong," I retorted.

"Then picture it the other way around," she snapped. "Have him jamming his cock down your throat while he playfully licks your pussy. Think about it," she smirked. "With him on top, fucking your mouth, who would be in command of the action?" "That might be fun, too," I conceded. Looking at Janelle, I asked, "Have you ever sixty-nined with Hank that way?"

She shook her head and whispered, "He tried it one night but I couldn't take it. I bit him and made him get on the bottom. It's no fun having a stiff dick in your mouth when you can't back away."

"There, you see," Nadine crowed, "when it comes to cocksucking, the woman has to be in control if she's going to enjoy it."

"And if she's in control," I observed, "she's sending a signal for his submission."

"You've got it!" Nadine exclaimed. "When you start sucking Jon's sweet dick, you're taking charge; you're asserting yourself on him. By eating your pussy, he's been controlling the action. He's been playing you like a violin and fucking you when you're helpless to resist, but now he wants to be fucked. He's asking you to treat him like he's been treating you."

After starting my day with such conversation, it was difficult to keep my mind on housework. Nadine's sexual wisdom had planted a vibrant seed in my brain. While doing the breakfast dishes and cleaning the kitchen, I tried to think of any other possible signals Jon might have been sending that I'd missed.

In doing this, I discovered a subconscious sexual meaning for many of Jon's actions. Little things, like asking my approval before he purchased a new suit, letting me decide what he should wear to the office, seeking my permission before setting a Saturday golf date and always letting me know when he'd be late. Each of these was a silent signal of sexual submission. They were considerate things to do, and demonstrated his love for me, but I was beginning to see and hear them in a new light.

Even those times when he was angry, I was the one who resolved the problem. If someone used vile language near me, it was Jon who demanded that he apologize. If I accidentally spilled a drink at a party, Jon always cleaned up the mess. The sudden memory of his tongue on my asshole sent a shiver of exciting anticipation to the pit of my stomach. My husband had licked and kissed my ass, indicating he'd do anything to please me.

My head was swimming with these thoughts as I made the bed and gathered our clothes for the laundry. Separating my intimate things from the rest of the wash, Nadine's words about having a man hand wash his lingerie with hers

echoed in my brain. Visualizing Jon as such a man was not an unattractive image.

"Debbie," I said to myself, "don't get carried away."

I knew Jon loved me, but I was also aware that I could destroy that love with selfish and senseless sexual demands. Down deep inside, I understood the need for balance in our mutual love. He was giving himself to me for my pleasure, but if I sadistically claimed him without giving pleasure in return, he could easily reclaim his gift.

My husband had to remain a total man to keep me happy. He could be a submissive man, and I could sexually dominate him, but I couldn't crush his masculine ego. As a man, he meant too much to me for that. Thinking I'd better test the meaning of his signals before putting my understanding of them into practice, I called his office. He was bright and cheerful when he came on the phone.

"Honey," he said, "I was thinking about last night when the phone rang."

"That's why I called," I volunteered. "There's something I want you to do."

"Name it and I'll do it," he promised.

"Honey," I purred, "when you come home this afternoon, I want you to go straight to the bedroom and get completely undressed."

"Yes, hon," he happily responded.

"I want you to take a shower and then lie down naked on the bed. When I enter the room, you'll do exactly as you're told. Is that understood?"

"Yes, Debbie," he sighed.

"I'm taking charge of our sex life and you're never going to sleep with a hard-on again." I could hear his breathing when I added, "Your cock belongs to me and I want you to think about all the ways I can use it for the rest of the day. Just make sure it's good and hard when you get home."

He managed to say, "I'll be home early," before I hung up.

Lena came in for some hard cock. She's an all natural cutie with gorgeous eyes and a sexy tight body. Lena got that taste of his cream in her mouth and she swallowed (most) of it.

Sometimes we're not all about sex. (Yes, men like blondes, boobs and butts!) Sometimes we're about some of the things that lead up to sex, like beer, one of America's favorite beverages. Beer quenches thirst, tastes good (to some), goes great with pizza, has been brewed for thousands of years... and has led to millions of sexual encounters.

MEN LIKE BLONDES, BOOBS, BUTTS, & BEER!

DID YOU KNOW...

According to industry statistics, Americans consume almost 6 1/2 billion gallons of beer a year. That works out to 50 billion pints, which works out to more than 225 pints per person a year (assume America's drinking age population is 2/3 of the total population). That's a lot of beer... to the tune of a 7 billion dollar business just from American brewers alone. World-wide? Let's just say there's a lot of beer being drunk.

BEER: APHRODISIAC?

While wine is often considered a bit of an aphrodisiac, beer can also make that claim. It's not as socially romantic as wine but it can accomplish the same purpose, getting into her pants. Most alcohols help break down inhibitions, and into that category fall sexual inhibitions. What lady hasn't been a little friendlier and more aggressive after a few? Now we're not talking about falling down drunk, but just tipsy enough to fall into your arms. For men, beer provides a filter that makes many women look prettier than they really are. It's called beer goggles. We've all been there!

GETTING GOOD HEAD...

Is getting good head a good thing or a bad thing? A question often debated by brewers and drinkers alike. Specific elements produce the head include proteins, yeast and the residue

from hops. Carbon dioxide forms the bubbles and is produced during fermentation. Carbonation can occur before or after bottling. If beer continues to ferment in the bottle, then it will carbonate naturally. When you open and pour the beer, bubbles form the head. When the beer is pasteurized or filtered, pressurized gas is infused to create bubbles for carbonation.

We sometimes put too much importance on the heads. Some say too much head detracts from the perceived volume of beer in the glass. But others see a poured glass as incomplete unless there is a head topping it. Breweries spend a lot of money on trying to define and create the perfect foamy topping. Now wouldn't you like to be a researcher in one of those labs?

PARTIER'S CHOICE

Beer has been the choice of party animals on campus ever since there were campuses to party on. And when not on campus, thousands of clubs and bars just off campus provided the libations. The greatest proponents of beer parties for the past generations have been the fraternities and sororities. In addition certain universities have developed reputations for beer guzzling and raucous parties attributed to beer.

Beer has been immortalized in many songs, and a short while ago country music star Toby Keith made the Red Solo Cup into a contemporary music classic. Beer Pong parties are now more common than Twister as the party game of choice on campus and in basements.

TO DRINK OR NOT TO

PENN STATE: Beer's favorite college campus. Number one beer drinking school in the U.S.

BYU: The driest school in the country if you want to get away from the brewskis.

MARIE LUV

Then there's the naughty aspect of getting fucked by two men. It's the feeling of doing something you aren't supposed to do. I have to admit to really liking the naughty factor. That's my new modus operandi. Sex doesn't have to be the same old boring thing. I like to add a lot of spice to my sex life. And the guys like it, too! Just ask them!

SHOOTING THE BREEZE

I always loved our outings each year to the amusement park. I would spend most of the time in the Fun House while my buddies would be riding the roller coaster or other daredevil rides. After all, it was the late '50s, and girls wore summer dresses. And under those dresses were nylons, garter belts or panty girdles. Pantyhose had not yet been invented (I hate pantyhose).

Anyway, I would stand around and watch the high school girls get their skirts blown up by the air sets in the Fun House. Powerful updrafts from under the floor boards would shoot the skirts and slips upward, revealing shapely nylon-clad legs, tight garter straps and lovely silky panties. After watching each couple of girls fall victim to the breeze, I often had an instant erection and would run to the nearest men's room and shoot my load.

I dated a cheerleader named Susan at that time. One night, she and I went to the amusement park by ourselves. I coaxed her into the Fun House. We laughed our way through the mirror maze, barrel of fun, and upside-down room.

Now the time was here for Susan to pass over the breeze holes. Susan struggled to hold her dress down, but to no avail! My cock grew seeing my date in black high-heel pumps, sheer shiny beige nylons, and red garter belt exposed before my eyes.

Later on, we proceeded to my old station wagon and I fucked her in my car. My hands roamed up her slip and the touch of those stockings turned me on. I placed her legs on my shoulders and let my cock rub up and down her legs. The nylon tickled my cockhead and finally I rammed it in her hole. After only about 10 strokes I shot hot

cream up inside her. Susan was one delicious fuck.

THE BUS DRIVER & THE TEACHER

That hot little bitch was driving me crazy. And she knew it. Her wet, naked body was cool against my sweaty skin. The grass and leaves against her back didn't bother her, even with my weight on top of her young body as I plunged my cock wildly in and out of her tight, hot pussy.

Miss Ingle was totally submerged in raw lust. I never imagined, in my wildest dreams that the beautiful, young teacher would ever fuck an over-40 bus driver. But it was really happening.

Miss Ingle lives at the end of my route and rides shotgun for me. She keeps the little monsters from completely destroying the rickety old school bus I drive.

Until that day, it was a simple business arrangement. Her reward was a free ride back and forth to school. For me it was a chance to ogle her ripe, young body; those long shapely legs; that tight little ass; beautiful blond hair; and those big, blue eyes.

I fucked her many times in my fantasies, but I never believed I'd ever lay a hand on her. I guess I should be grateful to that old school bus. That day, out in the middle of nowhere, it finally died on me. I had deposited the last of the school

kids, so only Miss Ingle and I were on the bus.

It was a typical Florida summer day, 90 degrees in the shade—if you could find any shade. I took off my shirt, opened the big yellow hood, and stared at the decrepit engine. I considered shooting it to put it out of its misery, but I had no gun. The only other cure would be to remove the gas cap and drive a new bus under it.

It is a long walk to Miss Ingle's house, so I went to work trying to fix it in spite of my lack of mechan-

cal ability. Miss Ingle watched for a while, but soon became hot and bored. Then she spotted a small pond a few hundred feet from the road and headed in that direction. I watched her round little butt bounce until she was out of sight.

After a fruitless half-hour working on getting that bus running again, sweat was pouring off me. I was no closer to having it fixed than when I started. I lit a cigarette and ambled toward the lake to break the bad news to her. A long walk in that heat wasn't a pleasant prospect, let me tell you.

My first glimpse of Miss Ingle as I thrashed from the underbrush was magnificent. She had waded out into the water above her knees and had her dress pulled up over her legs, exposing the crotch of her white panties. And her blouse was soaked. It clung to her like glue. I felt my dick respond with an automatic salute to that beautiful young woman. She smiled and signaled for me to join her in the water. So I rolled up my jeans and waded in to my ankles. I gave her the bad news and she simply shrugged and suggested that we wait awhile to see if help might come. There wasn't much chance of that but I went along. I was in no hurry to start walking in that blazing sun.

After a few minutes in the water, I crawled up on the bank and leaned back against a big shade tree. Miss Ingle was like a kid playing in the water. Yet, at the same time I couldn't take my eyes off of those bouncing boobs and wiggling ass.

By the time she climbed out onto the bank and sat across from me, I had a full-fledged hard-on. She sat down with her chin on her knees and gave me a breathtaking view of the back of her thighs, soft round ass, and even flashes of the crotch of her panties.

I held my arm self-consciously across my lap, trying to hide my bulging hard-on. "Would it embarrass you if I took off some of my clothes?" she asked, adding "I feel like I'm going to suffocate if I don't."

"Go ahead," I answered, when

I was finally able to speak again. She stood and let her skirt fall to the grass. Her panties were like a second skin. I could see the outline of her perfect pussy. Hell, I could see every hair on her cunt. I almost came in my pants.

Next, she unbuttoned her blouse and let it fall from her shoulders. The bra barely covered her nipples. I was staring at all of her big luscious breasts.

"You're sure you don't mind?" she asked, in a soft murmur.

"Of course not," I sputtered. "I'd see more if you were in a bathing suit." I lied. She was practically naked. The sight was driving me mad. I don't know how, but I managed to control myself. I wanted to jump her bones. She only stood there for a few seconds before she ran to the water and dove in. Her sleek body cut the water like a knife through hot butter. Almost immediately, she began teasing, then taunting, and finally begging me to join her. It was more temptation than any sane man could resist. I quickly shed my jeans.

I had on only my underwear, so I tried to keep the bulge in front from showing while I got in the water. I figured the cold water would make it shrivel. But I was wrong. My cock was like a piece of steel. Nothing but Miss Ingle's hot pussy was going to make the swelling go away.

We splashed water on each other like a couple of kids. Then, she dove under the water. She disappeared for a long time. I felt something tugging at my shorts. Before I could react, Miss Ingle had pulled my underwear to my knees and planted a kiss right on the tip of my erect cock.

A shiver ran up my spine at the feel of her lips on my screaming erection. I'm surprised I didn't come right then and there. My prick was throbbing like crazy.

Then she leapt out of the water and threw her arms around my neck. She wrapped her long hot legs around my middle and pressed her panty-covered pussy against my bare cock.

Even in the icy water, the heat from her hot, slippery cunt was red hot. Miss Ingle was more aroused

THE BRA BARELY COVERED HER NIPPLES. I WAS STARING AT ALL OF HER BIG LUSCIOUS BREASTS

than I was, if that was possible. I still couldn't figure out what she saw in me, but I didn't ask any questions. I put my hands under her soft round ass and squeezed her pussy tight against my twitching cock.

She moaned, sighed and gasped, but didn't say a word, as I unfastened her bra and flung it up on the shore. Her pink nipples stood tall. My mouth danced between them as her hands behind my neck pressed my face hard against her excited chest.

With the tiny blonde wrapped around me, I walked toward the shore. She held on tight and continued humping her hot pussy against my cock, feeding me those nipples.

When we reached the shore, I put her down on the grass, flat on her back, and pried her legs from around my waist. She lay there with her legs spread wide open, her arms flung to the side, and her eyes closed. I could almost hear her body screaming, fuck me.

I gripped those flimsy panties and with her help pulled them off in one easy motion. Her pussy peeked at me from the light fuzz between those wide-open legs. The lips were wet and slippery. Her clitoris was swollen and seemed to quiver. I leaned forward and kissed her pretty pink clit. Her entire body shook. She screamed, bit her lip, and clasped her knees on my head, trapping my face against her hot snatch.

She had two or three wild orgasms before she finally let me up for air. I was ready to climb on, but she sat up suddenly and flipped over on to her hands and knees. Her ass was in my face. "Fuck me in the ass," she moaned. "Please," she begged.

I pulled the soft cheeks apart with my thumbs and wrinkled, little anus. It looked so tender, so sweet; I couldn't have refused it if I'd wanted to. I tickled it gently with just the tip of my tongue. Miss Ingle screamed and shook. "Put your tongue in," she squealed. "Tongue-fuck me, please." She tried desperately to trap my tongue inside of her beautiful ass.

I began plunging my tongue in and out of her tight little asshole like it was a tiny cock. She hunched back at me and wiggled that beautiful ass like crazy, as she came again and again.

My balls ached for release. But I didn't want to hurry. I wanted to go on forever. Finally she collapsed, face-first on the grass. She was exhausted. I gently kissed my way up her back. My lips touched every inch of her soft warm flesh from her asshole to her earlobes.

By the time I began teasing her ears, I was on top of her with my dick nestled between her tight hot ass. The sensation was out of this world. But nothing compared to what she had in store for me as she rolled over and locked her hips around my waist.

She literally sucked my cock into her steaming, tight tunnel. Then she clasped her mouth on mine and rammed her tongue in as deep as it would go. She held my ass tight against her body, my dick inside her sweet box to the hilt, and remained very still while she squeezed me with her cunt muscles.

"Be very still," she whispered. "Let Becky do it. Becky knows what Daddy needs. Relax and let your cum flow into Becky's pussy."

That sexy little bitch was driving me mad. And she knew it. I think I did exactly what she wanted, when I reared back, grunted like a wild boar, and began driving my dick in and out of her slick tight pussy with a vengeance.

When the first spurt of cum shot from my throbbing prick, I rammed it into her quaking cunt to the balls and shook all over as the cum gushed into the tiny teacher's milk-pussy.

"I'll be teaching at another school next year," she purred, as I lay there on top of her soft warm body. "I couldn't leave without hav-

ing you."

It was late evening before I got her home. We took our time. I fucked her two more times on the way. Once from the rear with her

leaning up against a tree, and the second time on the swing on her porch with her kneeling across me.

She then drove me back to town. I sat there with a smile on my face, glad that the bus was not in better shape.

JENNA PRESLEY

If, according to Shakespeare, clothes maketh the man, then without doubt no clothes at all maketh the woman. Especially when you see sweet Jenna au natural. It doesn't take a British dude from 700 years ago to tell us what we see right in front of our eyes. Her form is a playwright's dream and her pussy is the pinkest of poetry.

AUSTIN, SUNNY, SINNAMON & KELLY

You could say we four have adventurous spirits when it comes to sex. There's little that is out of bounds. First there is that possibility of doing things and getting off in ways we haven't. The fact that there is the possibility of that happening is enough to get our adrenaline pumping! Enough! Spin the bottle already!
